Warriors

the 1990s, the number of people in the world who are under 15 years of age is expected to increase from 1.1 billion to 1.5 billion.

As the world's population grows, the demand for food and other resources will increase. The world's population is expected to reach 8 billion by the year 2025. This means that there will be 8 billion people competing for the same resources that we have today.

The world's population is also becoming more diverse. There are now more than 200 different ethnic groups in the world, and the number of people in each group is growing. This means that there will be more people from different backgrounds and cultures living together in the same place.

The world's population is also becoming more mobile. More and more people are moving from rural areas to cities, and more people are moving from one country to another. This means that there will be more people living in cities and more people living in different countries.

The world's population is also becoming more educated. More and more people are going to school, and more people are getting higher education. This means that there will be more people who are able to read and write, and more people who are able to think critically.

The world's population is also becoming more health conscious. More and more people are taking care of their health, and more people are getting regular checkups. This means that there will be more people who are healthy and more people who are able to live longer.

The world's population is also becoming more environmentally conscious. More and more people are caring about the environment, and more people are taking steps to protect it. This means that there will be more people who are able to live in a sustainable way and more people who are able to protect the planet.

The world's population is also becoming more technologically advanced. More and more people are using technology, and more people are able to use it effectively. This means that there will be more people who are able to use technology to improve their lives and more people who are able to use it to protect the planet.

The world's population is also becoming more economically advanced. More and more people are working, and more people are able to earn money. This means that there will be more people who are able to live in a comfortable way and more people who are able to improve their lives.

The world's population is also becoming more socially advanced. More and more people are caring for each other, and more people are able to live in a harmonious way. This means that there will be more people who are able to live in a peaceful way and more people who are able to improve their lives.

The world's population is also becoming more culturally advanced. More and more people are learning about different cultures, and more people are able to appreciate them. This means that there will be more people who are able to live in a multicultural way and more people who are able to improve their lives.

The world's population is also becoming more spiritually advanced. More and more people are seeking meaning in life, and more people are able to find it. This means that there will be more people who are able to live in a meaningful way and more people who are able to improve their lives.

The world's population is also becoming more morally advanced. More and more people are caring about right and wrong, and more people are able to live in a moral way. This means that there will be more people who are able to live in a just way and more people who are able to improve their lives.

The world's population is also becoming more ethically advanced. More and more people are caring about the rights of others, and more people are able to live in an ethical way. This means that there will be more people who are able to live in a fair way and more people who are able to improve their lives.

The 1977 Warrior football season was quite disappointing in terms of games won and lost. The Warriors ended the season with a 2 won-7 loss record which is their worst record in a number of years! Although their record was not outstanding the team did do very well in a number of contests and were in a position to win a number of games! The major problem this season bordered on a lack of offensive punch while the defense kept the team in most of the contest right up to the final gun! Lack of experience and inconsistency were also factors in the outcome of the season with many new faces being seen on the starting units after the loss of a number of key starters last year. Next season will see the return of a number of experienced ball players around which a good nucleus for the future can be built. The Warriors return a number of young letterwinners in key positions which will lend a ray of hope for next year's squad!

Nelson, Coach Mr. Safe.

COACHES AND CO-CAPTAINS

Head Coach Mr. Sundeen, Co-Captains C. Hoffman, D. Youngblom, Assistant Coaches Mr. Jones, Mr. Safe.

Five games and two scrimmages made up this year's Junior High football season. The team, consisting of 17 eighth graders and 10 seventh graders, scrimmage Gibbon and Gaylord early in the season and showed a strong defense but an offense that produced a few points. The teams record was 2-3 losing to Fairfax 28-0, Gaylord 22-0, and Gibbon 14-0. The two wins were against Brownston 18-12, and New Ulm Cathedral 20-8. This team has several fine young football players who have the potential to develop into a strong varsity football team.

The Junior Varsity football team finished strong after a slow start to finish the year with a 2-3 record. The team dropped close decisions to Gaylord, Fairfax and Morgan before rebounding to defeat Gibbon and MLA.

The running game was the most effective part of the J.V. offense, although penalties halted their drives on several occasions. The passing game showed improvement also as the year progressed.

Defensively, the team played well except for some early season lapses which allowed opponents long gains.

Overall the outlook is optimistic as the team appears ready to funnel several talented ball players to the varsity level next year.

BOYS

(l-r); P. Peterson, A. Peterson, C. Hoffman, J. O'Brien, D. Peterson, Coach Rev. Peterson.

This was the first year Winthrop had a girl's cross country team for the season. They had eleven meets, most against bigger schools. They beat over one third of their opponents. Mary O'Brien was our leading runner again, beating 87% of those she faced. She won the Conference and District titles, then missed going to the state again by just 7 seconds. Her best time was 12:51.

Returning runners and best times are Lori Muth 13:40, Kathy O'Brien 14:40, Darlene Jackson 14:56 and Helen Peterson 15:15. Dorle Schafer also ran some of our meets.

Our boys cross country team went all the way to State in 1977. On the way they faced over 1,000 runners, beat two out of three teams faced, won the Conference, District and placed second in the Region. The boys ran against some of the best AA schools in the state as well as our own A teams. They finished 14th in the State, winning certificates there. They also defeated Gaylord for the 30th straight time. Dave Peterson lost to only five runners all year. He won the Conference, District, placed 2nd in Region and 3rd in State. His best time was 15:00 at the Region.

Best times: Craig Hoffman 16:48, Al Peterson 17:02, Paul Peterson 17:02, Joe O'Brien 17:43. Dave, Craig and Al graduate, so we need some hard workers to keep up our winning tradition. Congratulations to all our hard working winners of 1977.

We knew as a team when we started the season, that there were many fundamentals and aspects of volleyball that needed to be improved in order to have a respectable season. There were also necessary techniques, namely spiking, that we knew couldn't be developed to an effective performance. Nevertheless, as a result of lots of work and dedication, we ended up with a respectable 8-8 win-loss record. We felt that on any given night we could have potentially beat anyone in our district, and did most certainly give all our opponents a good volleyball game. We all know what must be done "in-between" seasons in order to improve for next year. I personally would like to thank all the girls who were out for volleyball—all of them made a super effort to improve themselves as well as the team.

COACH
AND
CO-CAPTAINS

Great things happen to kids who work hard and set their goals high. That is what happened to this year's wrestlers. They had a 10-6 season. That is the most wins ever by a Warrior wrestling team. They won the District crown for the first time and became the first team to participate in Region competition. We had four District champions, two 3rds and two 4ths. Six boys advanced to regional competition on the individual basis. Three boys, Les Wenninger, Tim Anderson, and Al Guggisberg finished 3rd and Danny Bussler placed 2nd, which advanced him to the State tournament. Eight boys had records of .500 or better and a couple were very close. All this with a squad made up of 1 Freshman, 6 Sophomores, 1 Junior, and 4 Seniors.

Several B squaders had very impressive records and could make next year's Warriors even better.

B-SQUAD

Boy's Basketball season is one that can be judged as successful.

The boys were to take last in Conference and at the most win 3 games. The team worked very hard and finished 6th in the Conference, with a 10-10 record.

The inability to score was the teams weakness, and kept the team from doing better.

The Warriors finished second in Conference in defense allowing only 50.1 points a game.

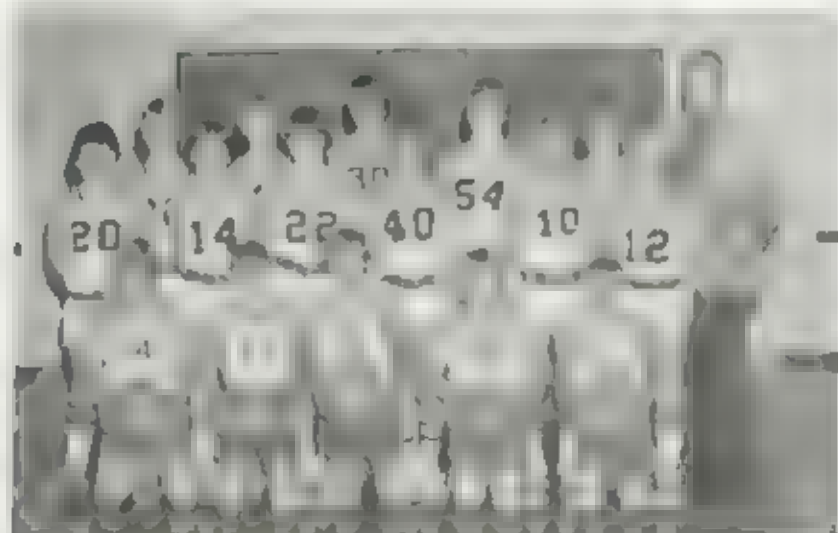

Help, this guy's dying!!!!

B-SQUAD

1st row (l-r); C. Stresemann, D. O'Brien, J. Cariveau, B. Kuehn, M. Muth, R. Youngblom. 2nd row; M. Berg, G. Kruggel, J. Bauer, D. Bleeke, J. Felter, M. Griebel, Coach Mr. Springer.

Sideline huddle

ALL CONFERENCE- Dennis Linstrand and Don Youngblom

The young Warriors started the season out on a slow pace treating Gaylord, but losing to Gibbon, Brownton, and Fairfax for a 1-3 record. Then in mid- January they turn around and recorded four wins against two losses. They beat Gaylord, Franklin, Fairfax, and Buffalo Lake while losing to Gibbon and Brownton. The twelve cagers ended with a 5-5 record and a strong performance in the Brown-ton tournament.

Only three athletes came out for 7th grade basketball and although they provided a good nucleus we needed sixth graders to fill the roster. They beat Gibbon, Franklin, and Fairfax while losing to Gaylord (2), Gibbon, Fairfax and Brownton for a 3-5 record.

The Winthrop girl's basketball team had a very successful season in 1977-78. They compiled a won-loss record of 18-4. They finished second to Morton in the Tomahawk conference with a record of 11-2, losing only to Morton and Gaylord. This was the best finish in the conference ever for the team.

The highlight of the season came at the end when the team captured the District 14 championship and ended the season losing in the championship round of Region 4A to Archbishop Brady of St. Paul.

The girls performed well all season and found that hard work pays off with a winning season. The key to the offense was Nancy Trebbensee's 23 point average and a good all around defense that allowed only 37 points per game for the year.

There were three Seniors on the team, Mary O'Brien, Dorle Schafer, and Teri White; they will all be missed next season. The squad has four starters returning for next year along with a number of good reserves to bolster the club for another successful year in 1978-79.

"B" SQUAD

1st row (l-r); J. Pagel, K. Cariveau, L. Conklin, J. Sjostrom, R. Ahrens. 2nd row; L. Lange, C. Eckberg, C. Alsleben, L. Muth, L. Lange. 3rd row; Coach Mr. Jones, T. Slood, G. Henderson, S. Arhart, J. Gustafson, Coach Mr. Adema.

The B-squad girls ended their season with a 3-14 record. Many girls picked up valuable playing time and there will be a few solid prospects who are ready to step in and play A-squad next year. Many of this years defeats were very close games decided in the last minutes of the game. Several freshmen saw action for the B-team and will be counted on for next years squad.

The Junior High girls played a total of 6 games this year, the 7th grade ended 3-0, while the 8th grade finished 0-3 for the year. With an expanded schedule for next year, many of these girls will return to lead the junior high team.

"C" SQUAD

o
y

The girls had a very good season. They were Conference and District Champs and never finished lower than second in any of their meets. They placed 6th in Region, sending 1 girl to state. The team had good talent all around breaking many school records. According to Coach Safe (Earl) they were the squirreliest bunch of girls who ever ran.

Front row l. to r. J. Weber, S. Hanson, G. Nelson, G. Kock, D. Rathke, A. Peterson, D. Rathke, R. More, J. S. Luethe, Back row l. to r. Coach Peterson, C. Hoffman, D. Peterson, P. Peterson, B. Lindstrand, R. Johnson, B. Neubarth, J. O'Brian

Joe — showing off again

Boy's Track 1978

Winthrop had 14 Warriors out for track on varsity and 6 for Jr. High. All showed good talent. The varsity won half of their outdoor meets. They placed 4th in the Conference, 3rd in District, and 8th in Region. There are 49 schools in our Region 4A. Our 440 relay team of G. Kock, B. Neubarth, D. Nelson, and R. Braun set a new school record with a 46.6 second run. The old record was set in 1965.

The Mile Relay team of C. Hoffman, B. Neubarth, D. Peterson and R. Braun set a new record with a 3:35.5 time. The old record was from 1968.

Senior team members hold 31 school records. D. Nelson 1, B. Neubarth, 4; C. Hoffman, 4; A. Peterson, 8 and 1 trip in 880 dash to state; and D. Peterson, 14 and 3 trips to State in the 2 mile.

"Afoot and light-hearted
I take to the open road, healthy,
free, the world before me, the
long brown path before me
leading wherever
I choose."

Walt Whitman

Your last year in high school is something to remember, and I hope you were reminded of the good times, as you come to the final page of the annual.

My year as editor has finally ended and I wish to thank everyone who helped me with the annual. A special thanks to Mr. Adema, my advisors and Kathy Messerli and Juli Nelson, my co-editors. They'll have a big job ahead of them next year and I wish them the best of luck. Also, thanks to Mark Bierman for helping with photography.

Putting this annual together was an experience and a lot of fun. I hope everyone enjoys this year's annual and works to make next year's better.

Your editor,
Barb Berle
